

In the week of physical activity and sports SU "Ivan Vazov" -Sopot joined the NowWeMOVE campaign. On May 19, 2022, it organized and held a sports holiday at the Metallic Stadium. All students and teachers from I to XI grade took part in it with the motto "Movement is health, and health is life".

They started with a relay race, which had a competitive nature and of course prizes. And continued with running, hoop games and gymnastic exercises. For the final students held a friendly football tournament.
